nd retired from the convention to situad to. their respective duries. In the interim, Hon. J. A. Britman, and Hon. Cales B. Smith, enterwhich were raptuously received.

the ground without verbiage, or useless detail. In the common sense conception of them, we l think we can truce the matter of fact views of

ought to receive the upqualified condemna-t of all the American propie.

Leviced, That the astenning disclosures of mes and corrept pendigality of the national classification which, in the brief period of m months of profound peace, has ex-

sent Attorney General Woolors, re-

the Hon. Mr. Stavren and Senator Wann. strong, consisting evidences of the loguetice. pline and wrong, which characterize the distration of public allairs, and the me-

emity for speedy reformation.

The following table exhibits the anougl exas during the last was years, including

WEEKLY TELEGRAPH THE WAY DISTRIBUTED AND MADE, CHOICE IN about so often the Eds and Central relevant pears that the visit of Gov. Denver and The steamship Eds of the West arrival at New York, July 18th, with two weeks discovered in Long Island. Portions through noises your door from the standard of outed in restoring peace, at least for all 400,000 in treasure. \$9 to the lowest figure which either road may the present. Gov. Denver called a meet.

A. Britman, and Hon. Caten B. Smith, eater-tained the convention until the hour of adjourn-tained the convention until the hour of adjourn-ment, in speeches full of eloquence and force, and force, and commercial of the property. Mr. Douglas adheres to his de-of its purport. At the assembling after diener, the report of the action taken by the Republicans of Illinois. If Gov. Denver is correctly reported in the organization committee being first in order. The fight between him and Mr. Lincoln, the regard to the Fort Scott difficulties, his the chair, and the usual number of vice President, and Secretaries among whom was prominent, our type friend John S. Hinner, of the Savat Carronan, of Montgomery was led to Rapublican candidate for U. S. Senator, will be action would seem to confirm the recent at when they were attacked by a large numpoint of Locompton, and supports it in all its fairness toward the settlers in Kansas that The committee on resolutions reported the other iniquities, there is no reason why he should will not be tolerated at Washington. - Trib. his own party.

Linn and Beerbon counties. Some threaten the whole Territory.

compensated.

was because of the fluited from the constitution was a compliment to the fluit and the present and the fluit and the present inclined from the constitution was a compliment to the fluit and the present inclined from the constitution was a compliment to the fluit and the fluit and the fluit and the fluit and the fluid fluit and the fluit and fluit and fluit and fluit and fluit and fluit and the fluit and flu Franklis, the present incumbent by appoint ment. The nomination was a compliment to that motion by a long, subtle and malignant speech, wherein he disclaimed all personal to Mr. Thrall and to Governor Chase, whose appoints he is.

Everett as minister to England, backing that motion by a long, subtle and malignant speech, wherein he disclaimed all personal new difficulties rise on some appoints he is.

Everett as minister to England, backing and full religious toleration for the future. From India itself the news is very gloomy. New mutinles and new difficulties rise on friends from New York, and look at the every hand, and it is impossible now to suppose that the struggle will be ended at any pose that the struggle will be ended at any proximate period. From Spain we learn the "mud sill" of society; and I thank God the read more than a bakers dozen of candidates. On the 5th ballet Joss L Marris, of Butler county, was nominated.

Mr. Marris is speared of in terms of high county and believe in law of Mr. Buchanan's sub-treast county, was nominated.

Mr. Marris is speared of in terms of high county and believe in law of Mr. Buchanan's sub-treast county, was nominated.

Mr. Marris is speared of in terms of high course was heard loud above the roar of faction. Henry Clay's clarion voice of course was heard loud above the roar of faction. "You pretend," said Clay, "to fear that the Union will be dissolved if such men as Mr. Exercit are called to high of finding.

The Central Executive Committee are as followed." The conspirators were cowed by the defaunt, indignant bearing of the distance of factory here; for the defaunt, indignant bearing of the distance of factory here that is severy weed of luxury. (The Government Executive Committee are as followed to the distance of the constitutional characters are called to high of factory here; the limit for the place to which his nomination is an indignated are successful to the constitutional character and refuses to the Constitutional Government, and refuses to recognize the description of Zuloags. The French Government are said to have encouraged the Spaniards with assurances that the Union will be dissolved if such men are rejecting to the successful the successful the Spaniards will not be allowed to interpolate the individual character, the distinct of the constitutional Government, and refuses to recognize the description of Zuloags. The French Government are said to have encouraged the Spaniards with assurances that the limit of the transfer of the constitutional Government, and refuses to recognize the description of Zuloags. The French description of Zuloags. The French description of Zuloags. The French description of Zuloags are refused wechanical and that the wind relation of Course was heard loud above the roar of sections of the course of the course of the course of the Central Executive Committee are as dissolved. The conspirators were cowed by the defiant, indignant bearing of the Desires, Jr., Lectas Berzens, Wa S Whig statesman, and the cold-hearted. E. N. Bash, N. H. Swayse, J. H. oraffy, treacherous mover of Mr. Exercit's telephones.

Then Messrs. Everett and Choate did not doubt that they stood on the national side procure reduces. don't that they stood on the fattern first of the contest, and that Bachanan's motion, in the contest, and that Bachanan's motion.

Sherman S. Booth, of Milwaukce, editor of the free Democrat, has obtained a final victory in the series of suits growing out of his connection with grace to the stately tree; but if it out-grow, as if to protect or conceal its supporter, it speedily destroys what it would name the sectional, and in its drift hostile to the interest of the sectional, and in its drift hostile to the interest of the sectional and in its drift hostile to the interest of suits growing out of his connection with grace to the stately tree; but if it out-grow, as if to protect or conceal its supporter, it speedily destroys what it would name, when a downward train suddenly ran against him, mutilating him in a terrible many in the series of suits growing out of his connection with grace to the stately tree; but if it out-grow, as if to protect or conceal its supporter, it speedily destroys what it would otherwise adorn. When the series of which he died in less persuaded Eve that she should induce her than half an hour. the same to day that he was in 1841, where, and types had been attached to satisfy the judgment bursts of both these gentlemen were full then, are Messrs. Choate and Everett?

or example, it is not pleasant, though it bould preferred to where the same fate that had beauld prove profitable, for us to know that the General Government has spent more than the flying fragments, and was suffering much pair, yet she would not receive any assistance, but stood still on the wreck, and periahed in the flames.

The state of the s
